Claim Resulting from Automobile Accident

1. The attached file represents a claim by R. W. Smith for damage to his automobile which was struck by an Agency owned vehicle on 3 April 1950 while parked in the rear of Q Building. Our driver, while trying to avoid a dog, collided with Mr. Smith's car and damaged it to the extent of \$16.15 for repairs.

2. Although Mr. Smith's car was illegally parked at the time, the location of his automobile was not the proximate cause of the accident and it is recommended that payment be made to Mr. Smith in the amount of \$16.15 under the authority of the so-called Federal Tort Claims Act.
